1, 2, 3, 4 Parents!

This 3-session workshop is perfect for first-time parents with children 1-4 years of age. It addresses ages and stages of development, parenting styles, parent-child bonding, effective non-violent discipline, and the power of encouragement.

Active Parenting Now

This 3-session workshop focuses on helping parents raise responsible children who are able to resist negative peer pressure. It is designed for parents with children 5-12 years of age. The series also addresses parenting styles, winning cooperation, effective non-violent discipline with logical and natural consequences, and building your child's self-esteem.

Active Parenting of Teens

Perfect for parents of tweens and teens, this 3-session program provides tools for parents to help navigate through the teen years. Teen issues (technology, drug and alcohol use, bullying) and risk prevention strategies are discussed.

Family Connect

Family time can be difficult to find. Family Connect events are monthly fun, free activities for your family.
