COLLEGE FOR CHILDREN IN CUSTODY

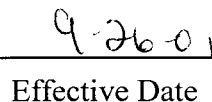

POLICY:

The decision for a foster child to attend college will be made on a case-by-case basis.

PROCEDURE:

1. The foster child and his/her worker will work with high school, college and other appropriate personnel to apply for available financial aid and grants.
2. A foster child attending college is expected to be employed and use earnings to defray some college costs.
3. No financial commitments are to be made obligating the county to pay any costs associated with a foster child's college education.
