

Safe Beginnings

Safe Beginnings is a program to assist families with safety support items that will allow their babies and children to get off to a safe and healthy start.

The following safety support items may be available to eligible families:

- * Crib w/Mattress
- * Temporal Thermometer
- * Toddler Bed w/Mattress
- * Baby Monitor
- * Highchair
- * Stroller
- * Safety Gate
- * Home Childproofing Kit
- * Smoke/CO Alarm

Eligibility is based on the following parent/caregiver requirements:

- *Attend a brief class specific to the item(s) needed
- *Cannot have an open or substantiated case of child abuse and neglect
- *Safe Beginnings can serve each eligible family **ONE** time only as per the **TANF** requirements.

Temporary Assistance for Needy Families is a temporary assistance generously funded by the Ohio Children's Trust Fund.

To safely serve the community during the COVID-19 Pandemic, education will be provided by phone and an appointment will be scheduled for item pickup.

Contact the Tuscarawas County Health Department at 330-343-5555 x182 or x111 to register!
