

Are you on Medicaid?

What you need to know.....

The Public Health Emergency (PHE) which resulted from the Coronavirus has officially ended. During the PHE, the Ohio Department of Medicaid operated under what was termed “**Continuous Eligibility**” operations. This meant that unless you (a) moved out of the state of Ohio (b) were deceased or (c) specifically requested that your Medicaid benefits be terminated, the local agency could NOT end your Medicaid coverage for any reason!

Effective **April 1, 2023**, the county agency is now required to operate under the “**Return to Routine Operations**” and will be required to redetermine eligibility for all Medicaid recipients over the course of the next 12 months.

What you should do:

- ➔ ✓ Read and review all paperwork that is sent to you in the upcoming months.
- ➔ ✓ If you have not done so, please contact the local agency to update your address or phone number, if it has changed.
